

WILLIAM SANDERS, D.O.

FORENSIC PSYCHIATRIST, ADULT PSYCHIATRIC SERVICES

William Sanders, D.O., has joined Pine Rest's clinical team to offer an exciting new forensic psychiatry service. Dr. Sanders provides expert evaluations on disability requests, fitness for duty, personal injury, medical negligence, child custody and visitation, guardianship and testamentary capacity. He also provides criminal services including competency to stand trial, legal sanity, child abuse, sentencing and witness competency. Dr. Sanders is directing the MSU medical student clerkship at Pine Rest, as well as conducting a clinical practice with expertise in adult psychiatry, depression, bipolar, thought and anxiety disorders, and other mental health crises.

- Medical Degree & Psychiatry Residency: Michigan State University College of Osteopathic Medicine
- Fellowship: Forensic Psychiatry, University of Florida
- Internships: Sparrow Hospital and Ingham Hospital, Lansing, MI
- Instructor: Michigan State University College of Osteopathic & Human Medicine
- Recipient of Clinical Neuroscience Outstanding Performance Award, Richard Alper Memorial Award for Distinguished Service to the Community, and Intern of the Year Award, among others

Those interested in contacting Dr. Sanders should call 616/281-6382 or e-mail william.sanders@pinerest.org.
